

E-LEARNING WRITING MATERIAL

A LESSON EXEMPLAR IN WRITING

OVERVIEW

This E-learning writing material is based on the results of the study "Writing Performance of Senior High School Students and their Attitude towards Writing". It has been designed primarily to equip senior high school students with the fundamental writing skills they need to cope with the demands of language learning, specially enhancing their writing competence.

This lesson exemplar develops their competence in writing through the five components along content, organization, vocabulary, language use, and mechanics. Furthermore, it equips them with rules and conventions in writing that are critical and crucial in achieving a high writing performance..

The knowledge, skills and insights that the students will gain from this material may be used in various academic endeavors, chosen disciplines, and future careers specially that they will encounter numerous and challenging writing tasks and writing endeavors in various purposes and various fields.

The module has seven units:

- Unit 1 – Introduction to Writing
- Unit 2 – Developing CONTENT in a writing task
- Unit 3 – Writing Convention along ORGANIZATION
- Unit 4 – Building-up Vocabularies
- Unit 5 – Writing Convention along LANGUAGE USE
- Unit 6 – Writing Convention along MECHANICS
- Unit 7 – Final Assessment

Each unit contains different topics about writing elements and writing conventions, and activities where the students can test their understanding and master of the topics discussed, and an additional part of reflection where students can share their thoughts as regards the learnings on every unit.
